PRESIDENT TO ENTER HOSPITAL

Word has been received that the American Hibiscus Society President, Mr. Walker Lyon, will be admitted to Saint Anthony's Hospital on May 1st. He will undergo surgery the following day and expects to be confined to the hospital for about two weeks. If you would like to send cards or well wishes they can be sent to Saint Anthony's Hospital, St. Petersburg, Florida. Or to Walker's home address.

Get well fast Walker. See you at the Annual Meeting in Fort Lauderdale.

CHAPTER DUES ARE DUE

Please give your over-worked, under-paid chapter treasurer a hand.

Don't make him dun you for your dues. Just take them to the chapter meeting next month and hand it to him. This will save him postage, time, and work.

Then, too, we need the money.
